How to make out your order for Gove Gladiolus

. . . to get all you're entitled to

ON ORDER FORM write or type clearly and completely, mail as early as possible, preferably with payment in full.

PUT DOWN AN ENTRY from price list in each of the columns on order blank for each variety. (It helps us if you separate retail items from quantity items.)

OUR POLICY ON EXTRAS AND COUNT: On quantity orders we put in 5% extra count. On retail items tell us if you prefer extra count or other extras.

We put in some extras on all orders of \$3 or more except on collections. These are big value as is. No discount on collections except the 10% for fall orders.

On retail orders for bulbs or bulblets only, **if fully paid with order**, you get extras as follows: Order \$6.01 to \$25 and you get 10% extra in bulbs or bulblets. Order of \$25. up gets 15% extra. Indicate your preference on extras and we'll follow your wishes as closely as possible. These discounts do not include collections or supplies. They are for bulbs only.

PAYMENT: Orders fully paid in advance save us time and expense and so earn most extras for you. But we'll ship retail orders C.O.D. if you wish, provided you send deposit of at least \$1 with order or 25% on orders of \$4.00 or more. Of course you also pay C.O.D. fee to postman on delivery, plus balance due on order. You save C.O.D. costs by paying in advance.

MINIMUM ORDER: We appreci-

ate your courtesy in sending orders totaling \$3.00 or more, because smaller orders cost so much to handle they eat up all the profit. It also helps very much if no single entry for a variety is less than 25c except in a few cases where priced lower. We cannot accept orders for 10 or 15 cent items.

SHIPPING CHARGES: Items ordered at RETAIL are shipped at our expense anywhere. Items ordered at quantity prices are shipped at **YOUR** expense. If order has both retail and quantity items, we ship at your expense but put in extras to make up for postage we don't have to pay (but if you prefer we **can** ship retail separate from quantity). See order blank for free bulbs if **you pay postage** on retail orders.

ACKNOWLEDGMENT OF ORDERS: We acknowledge each order by card or invoice promptly with an order number. **KEEP** it for future reference, and if you need to write us **PLEASE BE SURE** to give order number.

AIR MAIL: From a distance air mail may save you several days in getting bulbs. **But don't send** special delivery; we get regular mail faster.

ORDER EARLY: Though we have perhaps the largest assortment of glads anywhere in the world, we always sell out on some varieties. To be sure of getting your favorites, and of earning the 10% discount on paid bulb orders of \$5.00 or more, mail order by Dec. 31, 1958.

For Christmas

what would be nicer for your gardening friends than a package of bulbs or a book? Before Christmas we will send a beautiful card announcing the gift and will send the bulbs later. If you order the book, we will have it arrive in time for Christmas.

You can order any particular bulbs you think your friends would like or you can send a check for any amount and we will send a credit slip to be used for their own selection of bulbs. When the bulbs bloom, they will be a very pleasant reminder of your thoughtfulness.

Maple Syrup and Maple Candy are also fine gifts.

MARTINDALE PROTECTIVE MASKS

In cleaning bulbs there is always more or less dust which rises which to many people is very annoying. Some people can't work around the old bulbs at all because of this dust. To help such people I am offering the Martindale mask which is the simplest and cheapest mask of the sort that I have seen. Anyone who is at all bothered with the dust from bulbs or dust or fumes from anything else should certainly have one of these masks.

Price 75c prepaid; No. 1 refills, standard weight, per package of 25, 60c; No. 2 refills, double weight, package of 25, 75c.

"Our glads are the finest in town. Have had many compliments. Folks come from all around to see them. They have been huge and exceedingly beautiful and we always order only medium size bulbs."

—Mrs. Theodore Lindstrom, Minn.

"The **No. 1 Collection** of glads we got from you this past year were the most beautiful I had ever seen. Only three out of a hundred we did not care for. It was our first time in getting un-named collections. We shall not hesitate again. **Green Ice** did fine. Had two grand spikes from it."

VERMONT *Maple Syrup*

MAKES WONDERFUL CHRISTMAS PRESENT

We handle only the very best or so called fancy grade of maple syrup. There are several inferior grades of syrup some being sold here for as much as I charge for the Fancy. Last spring due to very favorable weather the crop was larger and the quality the finest ever so we can go back to our old price of \$7.00 per gallon, \$4.00 per ½ gallon and \$2.25 per qt. FOB. When ordering better send the postage as it will save COD charges.

Syrup will make a grand Christmas present as well as a delicious confection for your own family. With each package of syrup we send a booklet of recipes. Better order early for Christmas so the package will not get mixed up in the Christmas mail.

75-CENT LONG SEASON SPECIALS

To have blooms of a certain variety over a long period I want to especially recommend the following collections. These consist of various sizes of bulbs of each variety. There are usually one or more large bulbs, some medium and some small. If you are not in the habit of buying medium or small bulbs you will be amazed at the fine blooms you will get from these. And if there is a particular variety that you especially like you can have blooms of this variety over a much longer period than you could if you planted all one size. I can't give you the exact number of bulbs that you will receive in each lot because the varieties vary somewhat in price but you may be assured that you will get big value. **LEAVE IT TO ME.** We put in more medium and small than large bulbs. **DON'T ASK ME HOW MANY BULBS THERE ARE IN EACH SET. THEY VARY ACCORDING TO THE PRICE OF THE VARIETY. WE GIVE VERY GOOD VALUE.**

REMEMBER EACH 75-CENT SPECIAL IS ONLY ONE VARIETY AND NOT AN ASSORTMENT OF SEVERAL VARIETIES OR OF ALL OF THEM. Each special consists of various sizes of just ONE VARIETY. Select as many as you wish. But remember they are 75 cents for each one. Any FIVE lots for \$3.50. Any TEN lots for \$6.50 or any FIFTEEN for \$9.00. If you buy several lots I will put in something good for you to try out.

Special Collections and Sets

UNLABELED COLLECTIONS

The following collections are just the thing for those who don't care to keep the names of the varieties separate, but do want a nice garden of glads. I sell thousands of these collections every year and have a great many fine reports on them. If these bulbs were sold separately under name they would cost several times the price asked as collections. **No extras on collections except as noted.** They are very big value as is. Shipped prepaid.

These unlabeled collections are better than ever this year, with many new varieties in them never used before. You would be amazed if you knew some of the varieties in the Deluxe and Super-Duper collections. Though prices have had to be raised in some cases, these collections are the same as in past years. Big Value.

In spite of the rising costs of doing business and of everything we buy I have not raised the prices of these collections in several years. **SO I CONSIDER THEM REAL BARGAINS.**

STAR COLLECTION No. 1. 100 assorted large bulbs ($1\frac{1}{4}$ inch up) in about 40 varieties in many different shades and colors. I have sold this collection for years and have thousands of very well pleased customers. I **POSITIVELY GUARANTEE THAT THERE IS NOT A BETTER COLLECTION SOLD BY ANY GROWER IN THE COUNTRY FOR ANYWHERE NEAR THE PRICE.** The collection varies from year to year but always contains a great variety of colors and many fine varieties. I get many repeat orders every year from well pleased customers. **100 for \$6.00, with 50 at the same rate, 30 for \$2.00.** With each 100 bulbs of this collection I will put in **FREE** 1 bulb of some other fine variety of my selection, labeled worth at least **\$1.00.**

STAR COLLECTION No. 1A. SAME COLLECTION IN MEDIUM SIZE BULBS. 100 bulbs for \$4.00, 50 for \$2.00. With 100 bulbs will give a free bulb as in Star Collection No. 1.

The above two are our biggest bargains. The price has not been raised in years. They are made up mostly from varieties selling for \$1.20 and .80c per 10 and others of that value with some worth even more if sold under name.

DE LUXE COLLECTION No. 3. 40 or more varieties, many of them being exhibition sorts and worth several times the price asked. Real aristocrats in gladiolus. **100 for \$12.00, 50 for \$6.00, 25 for \$3.00.**

DARK-COLORED COLLECTION No. 5. Here is a new unlabeled collection that will appeal to many people. It contains no white or light colors. Most people have too many light ones in proportion to dark colors. Hence this offering. It contains some high priced varieties worth several times the cost of them here. About 40 varieties in a collection.

100 for \$10.00 50 for \$5.00 25 for \$3.00

DARK-COLORED COLLECTION No. 5A. Medium size. The same as No. 5 collection but may contain even more varieties than the No. 5.

100 for \$6.00 50 for \$3.00 25 for \$1.75

SUPER-DUPER COLLECTION No. 7. This is the last word in an unlabeled collection. It contains bulbs worth as much as \$1.00-\$3.00 each. Some of the very newest and a well rounded assortment as to color and form.

100 for \$25.00 50 for \$12.50 25 for \$7.50

NONE OF THE ABOVE COLLECTIONS ARE LABELED AS TO VARIETIES. Don't ask us to give you the names of the varieties in the collections as we positively do not do it at these prices. If you want them labeled, buy them under name. I guarantee the collections to be the best you can buy for the price. **There are no extras on these collections except as noted.**

Peonies

Young plants of Marcella

Order at once for Fall delivery

If you do not grow peonies you should. They are about fool proof, need little care and will bloom for many years without replanting.

These I am offering are not the cheap run of the mill kinds but just the best to be had from Mr. Lins, one of the leading breeders. At the Minneapolis Show last spring the Grand Champ was **Gardenia** and several of the color champs were from Mr. Lins' garden.

Mr. Lins' peonies are noted for their strong stems that hold the blooms erect.

Peonies are not suitable for the far South as they have to freeze in the winter.

The following prices are for Fall of this year. Fall is the regular time for planting peonies. Order at once.

BLUE ROSE New Introduction this year, a large full double, deep rose, which carries more blue than any other peony we know of. Is sweetly rose fragrant. Stems are willowy, not as stiff as some other Lins varieties, but about like stems of Old Lace. Color, size and fragrance impels those who see it, to want it. **\$10.00 each.**

BURMA Large brilliant deep double red. Mid-season. Has good form, heavy substance and strong stems. Has won many blue ribbons and show championships during the past several years. Before being fully established it will produce some blooms not full double. **\$3.95.**

CASABLANCA Giant fully double white with good form, substance and strong stems. An adventure in peony growing. Late mid-season. **\$5.95.**

DOLORADEL Giant well formed fully double rich vivid pink with heavy stems. Foliage way to ground. Late midseason. Wonderful variety. **\$4.95.**

ENSIGN MORIARTY Giant full double dark pink with heavy stems and fine form. Has been champ dark pink at many shows. Always scarce. **\$5.95.**

FESTIVAL QUEEN Double yellow with white collar and crown. Tall plant, fine low down foliage. Free bloomer. **\$4.95.**

GARDENIA One of the most beautiful peonies. Strong plant foliated way down, loaded with large beautifully formed blooms. Blush opened inside, white opened outdoors. Good every year. Early midseason. **\$3.95.**

KING MIDAS A perfectly formed fully double medium sized brilliant red edged with gold. A model of perfection. **\$3.95.**

MANDALEEN A beautiful rich baby pink of great size and perfect rose form and a sweet rose fragrance. Highly regarded by experts. **\$3.95.**

MARCELLA Medium sized full double white. Very heavy flower but good stems. A perfect plant loaded with bloom. A peony grower's dream. **\$4.95.**

MAUNA LOA Very large full double rosy red, rather flat bloom. Good long stems. **\$10.00.**

OLD LACE Very large fully double flat bloom. Opens flesh but changes to ivory in the sun. 8 inch blooms on long willowy stems. **\$3.95.**

RAMONA LINS Exquisite pale blush with Solange undertones. Blooms are held erect by strong stems. Regarded as the perfect peony. An all-time great. Midseason. Supply limited. **\$5.95.**

RED CHARM HYBRID New this year. Very large shiny full double red. Blooms a

week earlier than the regular peonies. Plants are medium height. Due to the formation of hybrid peony tuberous roots, a good division with one or two eyes is standard. This was **\$20.00** last two years but have a little better supply now. **\$12.00 each.**

ROSE UNIQUE A sister seedling of Tondeleyo, but a few shades deeper than that famous variety. The plants are tall with strong stems, which support the large blooms perfectly. It can take the heat and wind. A valuable addition to the dark pink class. **\$4.95.**

TONDELEYO A deep pink of unusual fire and brilliance. Has color, size, petalage and over all charm. Tall strong stems that hold the wonderful double brilliant blooms erect. **\$3.95.**

TULAGI The perfect lawn or garden peony. The large, tall plant with well foliaged, always straight stems, produces a mass of large, brilliant red flowers of the Japanese type. In spite of its size, the bloom is refined and does not feather. **\$3.95 each.**

Pansies - Oregon Giants

Why not grow some pansies. They are liked by everyone. They will give more garden pleasure for the money and time invested than most any other flower I can think of. Pansies start blooming in very early spring and continue till really hot weather and with some shade will bloom all summer. The colors of this **ELLIS** strain which I carry are very beautiful and up to 4 inches and over in size.

The **ELLIS** strain is the best I have found and cheaper than some others. Our beds are a mass of bloom every fall till really cold weather sets in. In the north we start them in July and August and in the greenhouse in winter. Farther south you can start them most anytime.

There is good money raising the plants for sale as they sell like hot cakes as soon as they start blooming. We can ship seed immediately at any time. **Pkt. of 500 or more seeds with growing instructions \$1.00 - ½ oz. \$6.00 - 1 oz. \$12.00.**

"Have raised glads for 40 years and during these years have purchased bulbs from a number of growers. Your bulbs have always been superior to the others." —Stuart Wheeler, N. Y.

"We are very appreciative of the wonderful bulbs you send. They are by far the cleanest we have received from any grower." —Clinton P. Sabin, Sherburne, N. Y.

"It was truly a thrill when **Turbo Jet** opened in my garden. The pureness of the snow white florets and the brilliance of the fiery blotch makes it truly a stand-out among my new varieties." —Dwane Eastman, Wisc.

"In reference to my order of Jan. 22nd last year for gladiolus, the bulbs were put into a new garden and I was doubtful about the soil—but we had the most satisfactory blooms I have ever seen." —Paul Jones, Mass.

"**Pinnacle** turned out very nice even though we had a very wet summer."

—Walter Wilsac, Ohio

"All of Leo Klein's introductions of last year were good. These were **Masterpiece, Green Eyes, Wax Model** and **Sweet Briar.**" —Winston Roberts, Idaho

LABELS

Everyone who grows bulbs under name will want labels. There are many different kinds on the market but I think the best cheap label is a painted wooden one. However, the wooden labels, really should have a coat of varnish after the name is written, otherwise the paint will in time weather off taking the name with it.

Prices are as follows, and subject to change without notice.

WIRED TREE LABELS. 3½ x ½ inch copper wired. 50 for 60 cents. \$1.20 per 100 and 500 for \$5.50. 1,000 for \$9.00.
